Mickey's Message

Hi, everyone! There's a great Fox And The Hound competition for you to enter this week! Judging by our cover, Goofy looks like he could do with winning one of the prizes! Fancy taking his bike into a car-

wash! Still, at least they'll both come out squeaky clean, eh? See you next week!

Have Fun!

WIN

A GREAT FOXY T-SHIRT!
Featuring The Fox And The Hound

Coming soon to your cinemas is Disney's story of Tod, an abandoned fox cub who finds a wonderful home with the kindly Widow Tweed. Tod becomes close friends with Copper, a young hound, but Copper is taught by his owner to hunt foxes - and that includes Tod! When Copper finds himself in danger, Tod must decide whether to forgive his old friend and come to the rescue.

We have 30 of these terrific Fox And The Hound colour t-shirts to give away! If you'd like to try and win, put on your thinking caps and answer the question below!

Who gave the abandoned fox cub a home? Was it:

- a) A bear?
- b) Widow Tweed?
- c) Copper?

Send your answer, together with your name and address, on the back of a postcard or stuck-down envelope to: Foxy T-shirts, Mickey's Mail, PO Box 61, London WC1H 9SG. The closing date for entries is 12th August 1995. The Editor's decision is final and no correspondence shall be entered into.

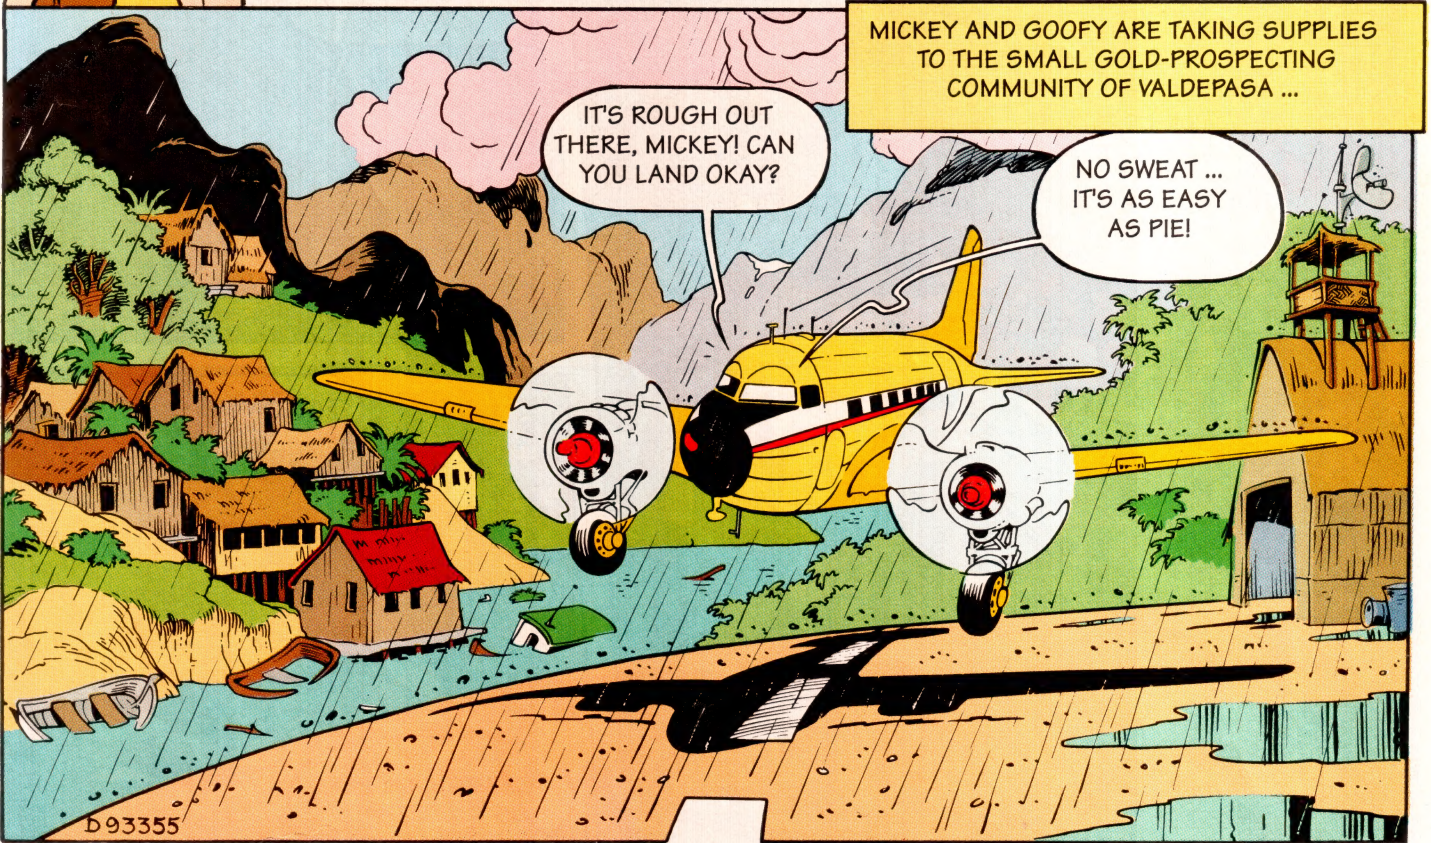

The Fox And The Hound goes on general release on July 21st.

CRIME TIME

The best time for the Beagle Boys to go into action is at midnight! Not all these clocks will show the right time at twelve o'clock. Which clocks are working properly?

GYRO'S GEOMETRY

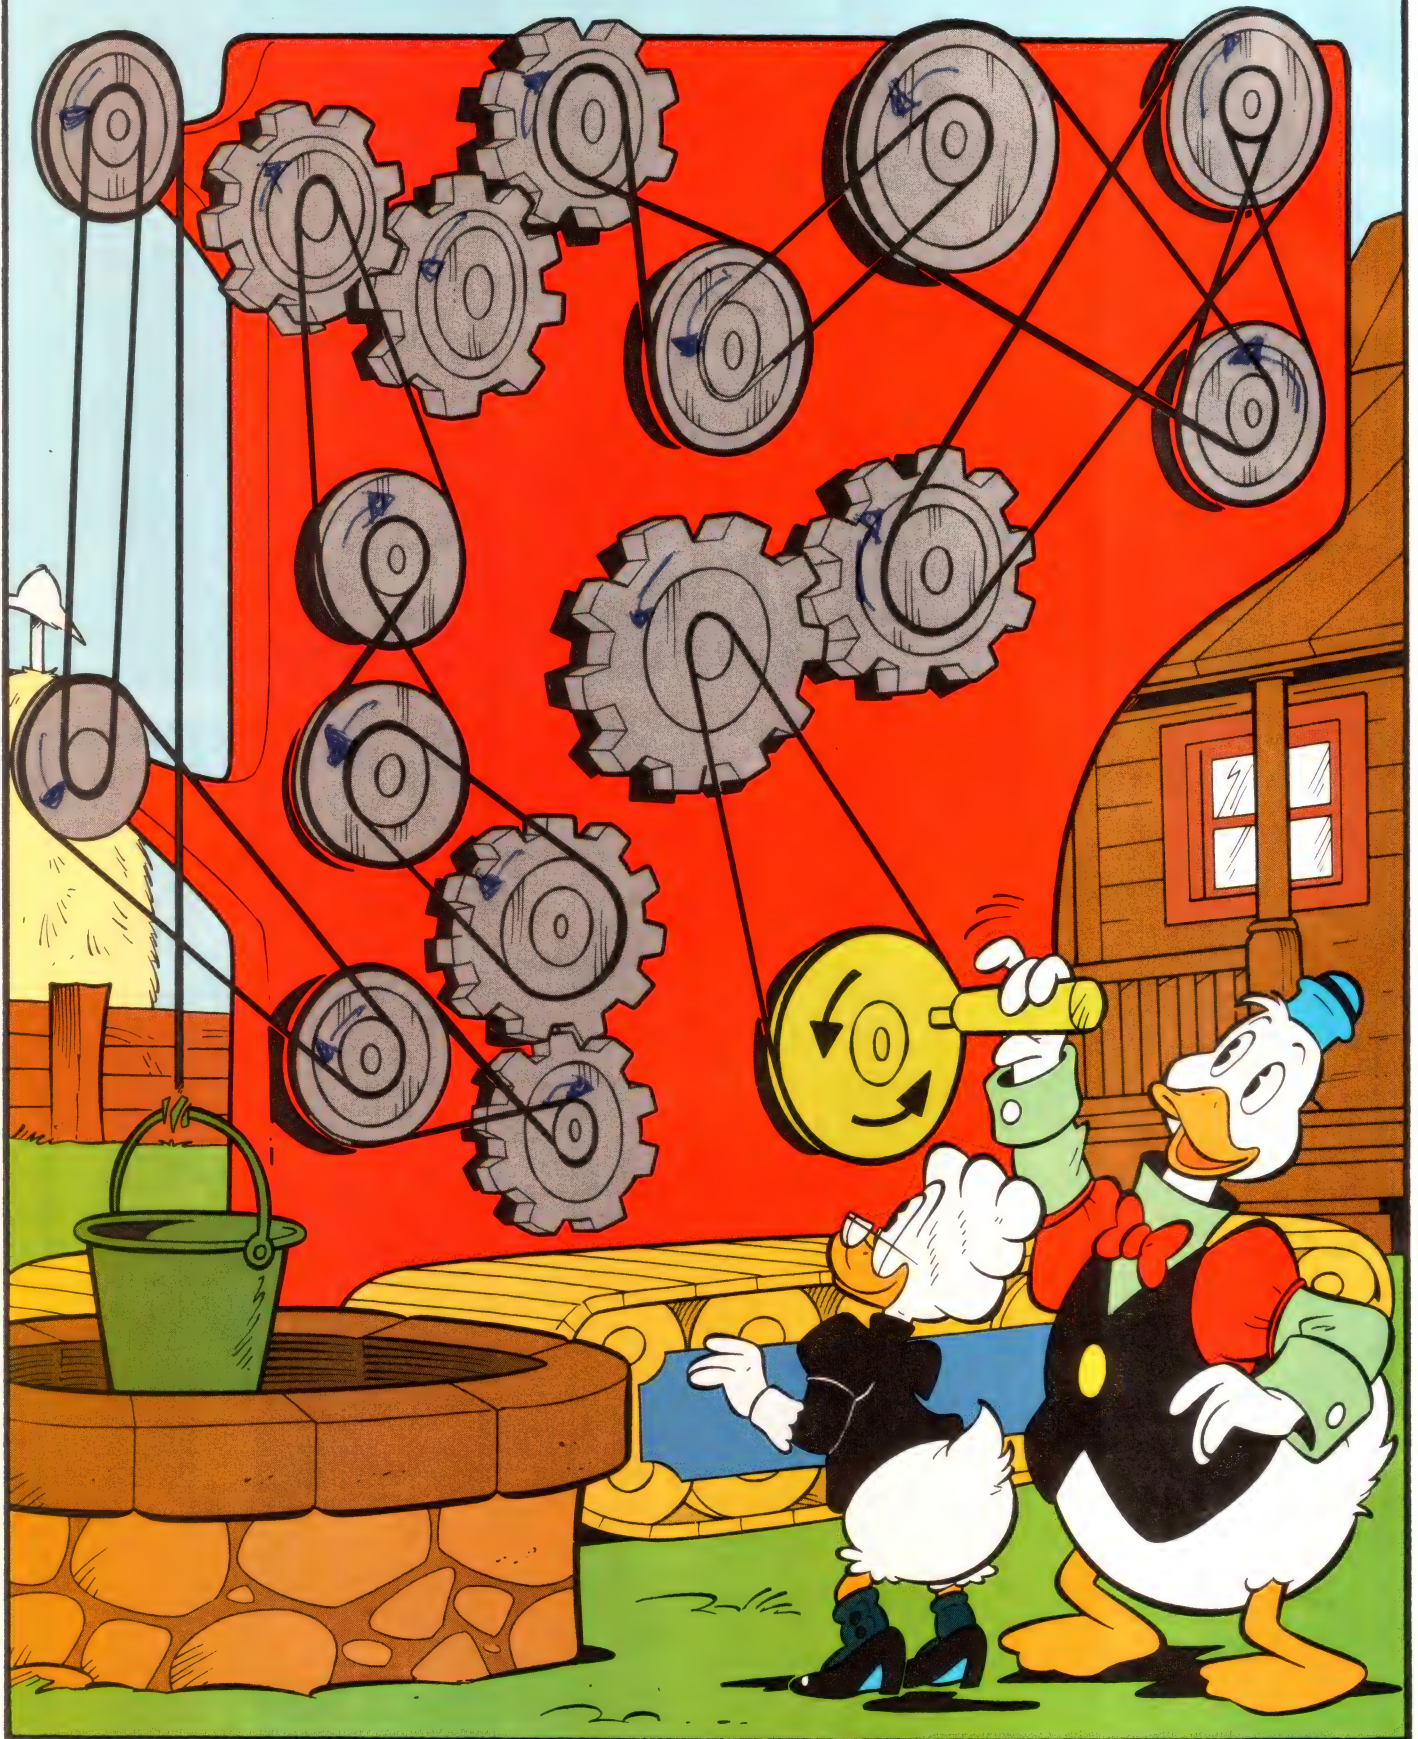

Gyro's been working on a few different shapes. Only one of the numbered shapes will fold up to make the box next to Gyro. Can you work out which one?

CLEVER COGS

Grandma Duck and Gus Goose are trying out one of Gyro's daft inventions! If Gus turns the handle the way shown by the arrows, will the bucket go up or down? Draw your own arrows on each cog as you work out which way they go to help you find the answer.

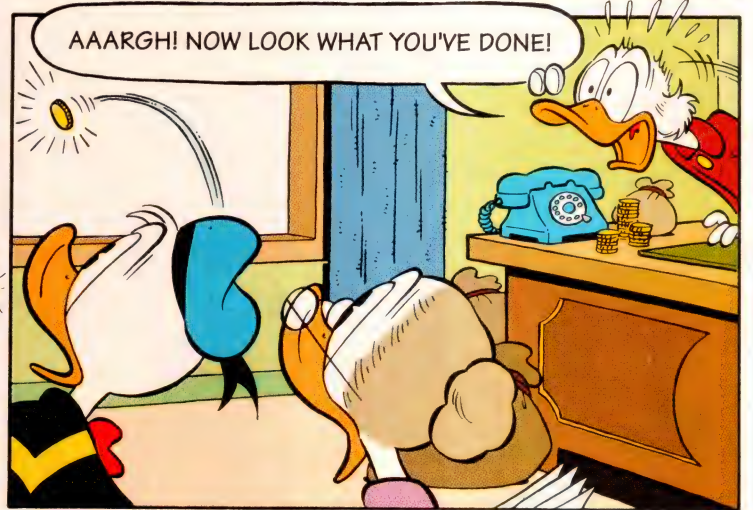

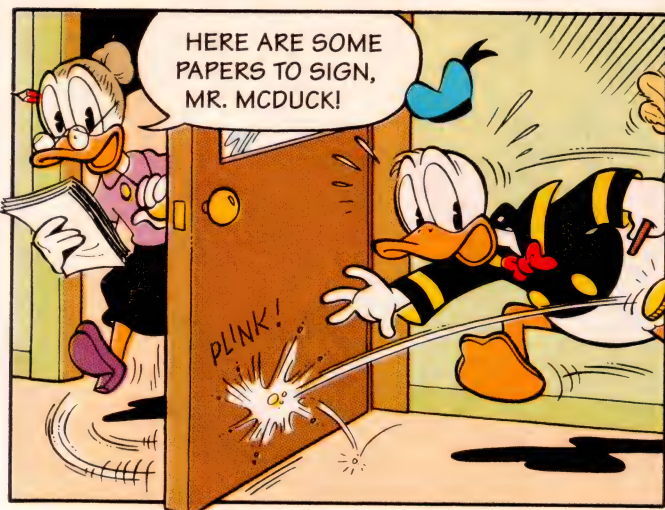

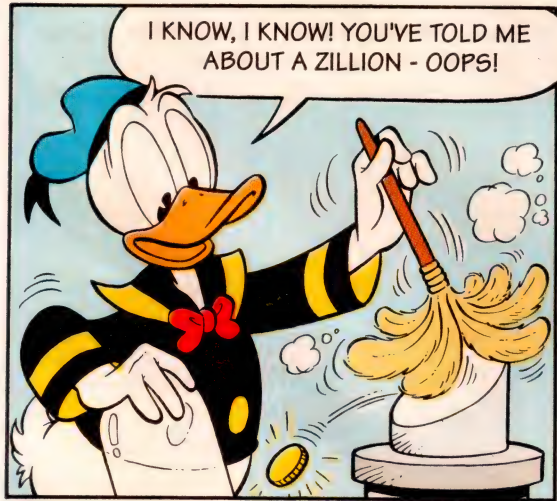

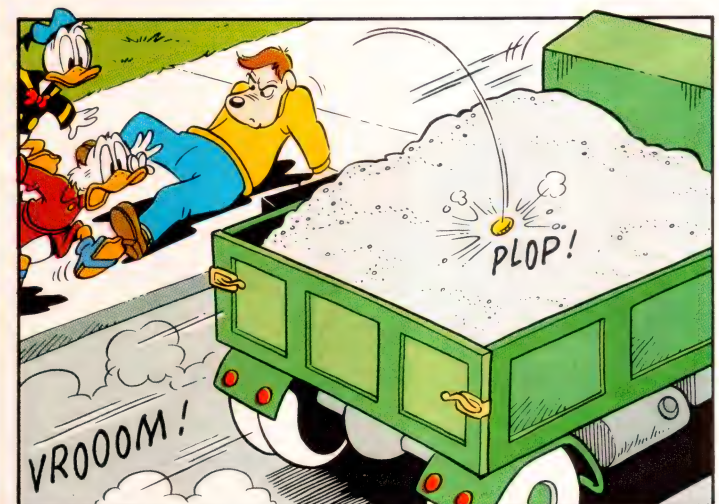

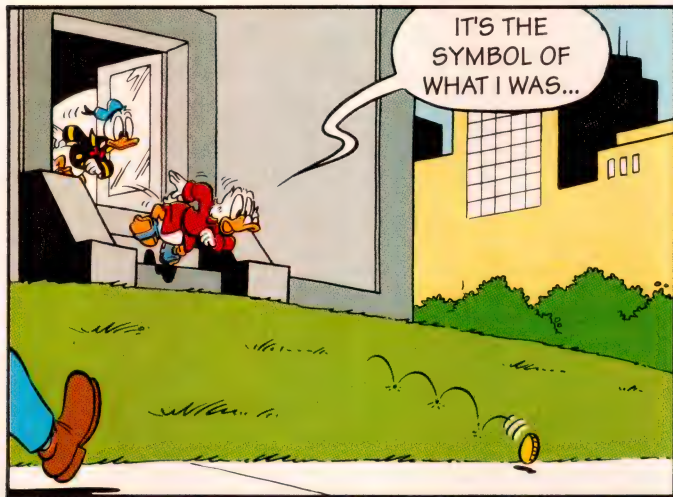

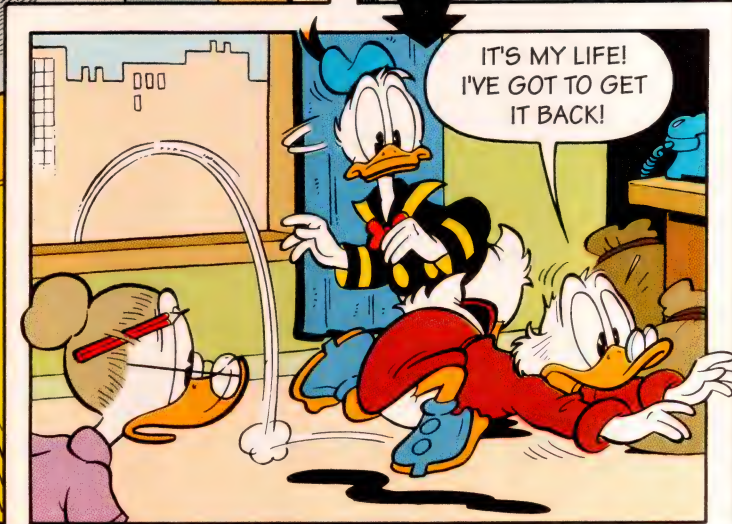

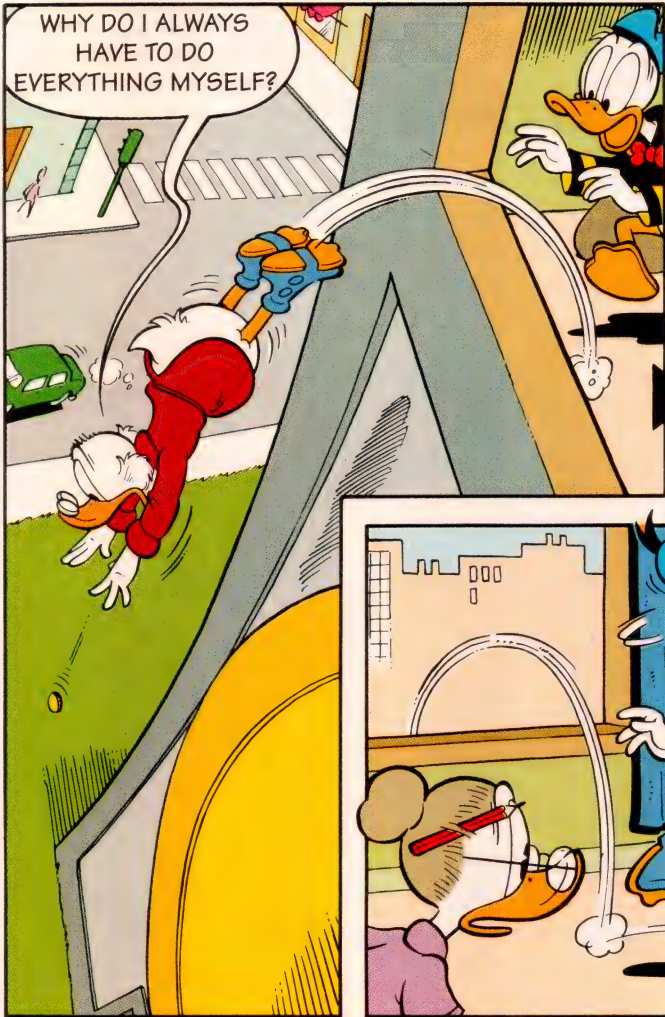

The answer is on page 31.
